

## *Remembering You*

*I want you to know how much  
I appreciate all you have done for me.  
The imprint you have left on my life  
has helped make me who I am today.  
Thank you.*

*In your name I have sent a  
contribution to the National Women's  
History Museum.*

*I have asked them to add your name to  
their new project *The Chronicle of  
American Women -- Women's Stories:  
History in the Making* to honor you.*

*It will be an electronic archive of your  
life when we finish it.*

*I look forward to working on  
this special tribute with you.*
